

KMP Nursery

Summer Issue 1

The best time to plant a tree was 20 years ago, the second best time is now.

A small family owned and operated nursery business situated in the heart of Wharekauri Station on the central north coast of the Chatham's.

The new year and summer weathers find us seed collecting and planting for the new seasons crops as well as pricking out and potting on this year's plants and trees.

We welcome all to call in and say good day. Be sure to make a trip out to see us part of your Chatham Island holiday and experience.

Whether you're a local, visitor or thinking of visiting the island take the time to, walk on the pristine beaches and the infamous splatter rock tucked away at the bottom of Cape Young...enjoy a nursery tour and a leisurely stroll around the extensive house gardens which are a culmination of 30 years hard work and dedication of Murray and Gill Dix. (Mum and Dad). And not forgetting the A Class listed historic Ponga Whare located here in the garden.

Summer Specials.
